ABOUT AABA

The Asian American Bar Association (AABA) of the Greater Bay Area is one of the oldest and largest Asian Pacific American (APA) bar associations in the nation—and one of the largest minority bar associations in the State of California. We represent the interests of thousands of APA attorneys in the Bay Area, serving as a collective voice, working to advance diversity in the legal profession (including the judiciary), and advocating for and hopefully facilitating the advancement of APA lawyers in both the private and public sectors. We have over a dozen active committees, ranging from Civil Rights, Community Services, and Scholarship to In-House Counsel, Mentorship, and Social. Our committees run events and ongoing institutional programs—and provide opportunities for newer attorneys to get involved and develop leadership skills.

SPONSORSHIP OPPORTUNITIES

AABA's Annual Dinner is one of our signature events, and we expect to draw 800+ attendees—from throughout our diverse membership, spanning attorneys from all sizes and types of private law firms, corporate legal departments, government, and non-profits. Much of our annual operating budget comes from the Annual Dinner—so your consideration is appreciated. Sponsorship has many potential benefits:

- **Showcase Your Commitment to Diversity.**
AABA's Annual Dinner is one of the largest events of any regional minority bar association. Underscore your organization's commitment to diversity for your clients, potential clients, and employees. Build on your support elsewhere in the community to work toward a snowball effect or "tipping point" in your visibility. The organizations widely recognized as leaders in diversity earn those reputations in part by being consistently visible and active across many organizations and events.
- **Promote Business Development.**
AABA's Annual Dinner facilitates prime networking. Build on your participation in other AABA events—and on contacts made through other minority bar associations and diversity-focused organizations.
- **Support Programs that Support Your Attorneys.**
AABA's programs through the year offer professional development and more opportunities for networking; and AABA's attorney-to-attorney mentoring program can supplement and build on your internal efforts.
